

Curriculum vitae

Cyril Mauffrey, MD, FACS, FRCS

Board Certified Orthopaedic Surgeon (ABOS : American Board of Orthopaedic Surgery)

Professor of Orthopedics

University of Colorado School of Medicine

Director of Service (Interim)

Director of Division: Orthopaedic Trauma

Director of Division: Orthopaedic Research

Director of the Orthopaedic Trauma Fellowship

Department of Orthopedics, Physical Medicine & Rehabilitation

Denver Health Medical Center

777 Bannock Street MC 0188

Denver, Colorado 80204

Orthopaedic Trauma and limb reconstructive Surgeon

Complex fractures, pelvis/acetabulum/non-unions/infections

Editor in Chief

The European Journal of Orthopaedic Surgery and Traumatology (Springer)

Editor (Basic Sciences and biomechanics section)

Injury, International Journal of the Care of the Injured (Elsevier)

Email: mauffreyc@gmail.com

Cell: +1 720-362-0361

PERSONAL DATA

Languages: English, French, Italian and Spanish

BOARD CERTIFICATION

- American Board of Orthopaedic Surgery (ABOS) Certified
- The Royal College of Surgeons (Intercollegiate) boards in Trauma and Orthopaedics, UK, May 2010 (FRCS Tr&Orth)

LICENSURES HELD CURRENT AND PAST

- Colorado full medical license (current)
- State License in Kentucky (expired)
- General Medical Council (United Kingdom)

UNDERGRADUATE EDUCATION

- Singapore French International School 1980 – 1986
- Hong-Kong French International School 1986 – 1993, Scientific Baccaalaureate.

MEDICAL EDUCATION

- The University of Turin Medical School, Italy 1996-2002

RESIDENCY PROGRAM

- The Royal College of Surgeons Basic surgical training, Birmingham (UK) 2003-2006 [neurosurgery, plastics surgery, trauma and Orthopaedics], obtained Certificate of Completion of basic surgical training (CCBST in 2006).
- The Royal College of Surgeons Higher surgical training, Birmingham (UK) 2006-2011 [Trauma and Orthopaedics].

FELLOWSHIPS

- Orthopedic trauma, University of Louisville Hospital, Jul 2010-Jul 2011.
- AIOD Trauma Fellowship, September 2007, Louisville, USA.

SUMMARY OF EMPLOYMENT

- 2002-2003: House officer University Hospitals Marseilles, France
- 2003-2004: House officer North Tees Hospital, Stockton, UK
- 2004-2006: Basic Surgical Training rotation Birmingham, UK
- 2006-2010: Higher surgical training, Cov and Warwick rotation, UK
- 2010-2011: Ortho Trauma fellowship, Louisville Univ Hospital, USA
- 2011 – present: Orthopaedic Surgeon, Denver Health Medical Centre, Denver, CO, USA.

ACADEMIC POSITION

- Professor of Orthopedics, University of Colorado School of Medicine, Denver, USA. July 1st 2018 to date.
- Associate Professor in Orthopedics, Denver Health Medical Center, University of Colorado, Denver, USA. 2014 to July 2018
- Director of Orthopedic Research, Denver Health Medical Center, USA
- Director of Orthopaedic Trauma, Denver Health Medical Center (2014-present)
- Associate Director of Orthopaedic Trauma fellowship (2016- present)
- Associate Clinical Teacher, The University of Warwick Medical School, Warwick, UK (2007-2013)
- Visiting Professor, Department of Orthopaedics, University of Cincinnati School of Medicine (February 2014)
- Visiting Professor, Department of Orthopaedics, Korea University Guro Hospital (August 2014).

MEMBERSHIPS

- Fellow of the American College of Surgeons (2013 to date)
- Member of the Committee for Publication Ethics (COPE) (2010 to date)
- Musculoskeletal Infection Society (MSIS)
- Member of the Kuntscher Society (2010 to 2015)

- Member of the Royal College of Physicians and Surgeons of Glasgow (2005 to date)
- Fellow of the Royal College of Physicians and Surgeons of Glasgow (2010 to date)
- Member of AOTrauma North America Faculty (2012 to date)
- Permanent member of the GECO committee

COMMITTEES AND SERVICE RESPONSIBILITIES

- Board of Directors International Society of Fracture Repair (ISFR) (2014- date)
- Peer Reviewed Orthopaedic Research Program (PRORP) of the Department of Defense Congressionally Directed Medical Research Program (CDMRP).
- Orthopaedic Research Society (ORS) Membership committee
- Publications Chairman, International Society of Fracture Repair (ISFR) (2016-date)
- US Section SICOT Board of Directors, chair of the Membership Committee (2017 to date).
- Permanent Scientific Committee for the GECO (Bone Surgery Study Group) (2014 to date)
- Member of the OTA (Orthopaedic Trauma Association) international Committee (2013 to date)
- Grant Review and Research Committee OTA International Committee
- AO foundation research grant peer review panel member (2009 to date)
- Scientific committee for the Asia Pacific Orthopaedic Association (APOA March 2017 meeting Kuala-Lumpur)
- SICOT hip committee North American representative.
- SICOT Trauma core committee member.
- Orthopaedic Trauma adult and pediatric liaison for Denver Health Medical Center (2011 to date)
- Residents Research Committee at the University of Colorado (2012 to date)

- Promotion Committee Orthopaedic Department, University of Colorado (2014-date)
- Member of the Committee for Publication Ethic (COPE) (2010 to 2013)
- Search committee member, Chair of Emergency Medicine for Denver Health. June 2016-Date
- ORS (Orthopaedic Research Society) Project team

EDITORIAL POSITIONS

- Editor-in-Chief for the *European Journal of Orthopaedic surgery and Traumatology*, Springer (2014 to date)
- Section Editor for *Injury*, Elsevier (2015 to date)
- Assistant Editor for *International Orthopaedics* (2013 to date)
- Assistant Editor for Bone and Joint Journal 360 degrees (2013 to 2015)
- Deputy Editor for Patient Safety in Surgery Journal (2011 to 2015)
- Clinical lead for the Trauma section of the Bone and Joint JI (JBJS Br) (2011 to 2014)

REGULAR REVIEWER AND REFEREE WORK

- Journal of the American Academy of Orthopaedic Surgery (JAAOS)
- AO foundation peer review member for grants (2009 to date)
- *Injury* (2014 to date)
- The European Journal of Orthopedic Surgery and Traumatology (2006 to date)
- *Orthopaedics* (2012 to date)
- The Journal of Orthopaedics and Traumatology (2010 to date)
- The Journal of Bone and Joint Surgery (Br) (2011 to date)
- Patient Safety in Surgery Journal (2011 to date)

RESEARCH GRANTS

- AO Foundation Start-up Grant (S-07-4C): awarded (June 2007). Multi-center randomized trial looking at plating versus intra-medullary nailing of closed distal tibia fractures. **Role: Co-investigator**. Amount CHF 30,000. Status: Finished and published.
- Osteomed grant (13-0301) awarded (Nov 2012): Balloon inflation plasty for tibial plateau fractures **Role: PI**. Amount \$99,458. Status: Finished enrolling, writing manuscript.
- DoD: METRC: OUTLET study compares 18 month functional quality of life outcomes of patients undergoing salvage vs. amputation following severe leg trauma. **Role: PI**. Amount \$27,100. Status: Data analysis.
- DoD: METRC: PACS study is to develop a tool that can aid in timely and accurate diagnoses of acute compartment syndrome so that early fasciotomy can be done and unnecessary fasciotomy avoided. **Role: PI**. Amount: \$27,100. Status: Data analysis
- DoD: METRC: pTOG study will determine if rhBMP-2 is as effective as using iliac crest autograft to help promote healing of open, tibia fractures with a bone defect. **Role: PI**. Amount \$27,000. Status: Data analysis
- DoD: METRC: TCCS Study. Improving Activity and Quality of Life following Lower Extremity Trauma: The Trauma Collaborative Care Study. Compare effectiveness of the coordinator and Trauma Survivor's Network, in improving outcomes for patients with severe orthopedic trauma, with treatment as usual. **Role: PI**. Amount \$27,000. Status: Data analysis
- DoD: METRC: FIXIT study compares internal fixation with a nail or plate to external ring fixation for treating severe open tibia fractures. **Role: PI**. Amount: \$15,250. Status: Follow up
- DoD: METRC: POvIV Prospective randomized trial to assess PO versus IV antibiotics for the treatment of early post-op wound infection after extremity fractures. Investigate efficacy of oral vs. intravenous antibiotics in treatment of acute SSI after fracture fixation or joint fusion. **Role: PI**. Amount: \$34,000. Status: Enrolling

- DoD: METRC: Bioburden study Assessment of severe extremity wound bioburden at the time of definitive wound closure or coverage: Correlation with subsequent post-closure deep wound infection. Find better ways to identify infection-causing bacteria in complex wounds caused by severe tibia trauma – compare standard microbiology cultures and PCR-based testing. **Role: PI.** Amount: \$15,250. Status: Data analysis
- Zimmer study: Prospective Post Market Clinical Follow-Up Study of the Continuum Metal on Polyethylene Acetabular System. Obtain survival and outcome data on the Zimmer Continuum acetabular system when used in primary total hip arthroplasty. **Role: PI.** Amount \$268,795. Status: Enrolling/Follow up.
- Carbofix: Grant awarded (September 2013) for a clinical trials looking at the efficacy of carbon fibre plates for the fixation of proximal humerus fractures. Role: COPI. Amount: \$27,000.
- Carbofix: Grant awarded (September 2013) for a clinical trials looking at the efficacy of carbon fibre plates for the fixation of distal radius fractures. Role: COPI. Amount: \$27,000.
- Hebei Medical Center, China (October 2013) unrestricted grant to the Denver Health foundation to fund our research fellow to perform editorial work. **Role: PI.** Amount \$40,000
- Colorado University Orthopaedics Research fund (January 2014). Percutaneous acetabular surgery, an observational cohort study. Supervising mentor for Anthony Bozzio: Amount \$ 2,850
- Colorado University Orthopaedics Research fund (July 2014). Screw versus plate and screw fixation of split depressed tibial plateau fractures, a cadaveric study. Role: Supervising mentor for Rick Bowles. Amount \$ 7,000
- Foundation for Orthopaedic Trauma (FOT) (September 2014). The role of skin microbiota in the development of infections following open tibial fractures. **Role PI:** Amount \$ 20,000. Current status: Enrolling
- Smith and Nephew: supplement for JOT special issue on segmental bone loss. \$22,000 **Role: PI.** October 2016. Annual OTA supplement.
- Secured \$15,000 for the ORS towards organization of ISFR workshop on segmental tibial defects in June 2017, Marseille, France.

PRIZES AND AWARDS

- AIOD fellowship grant (Stryker), Louisville 2007, USA
- Fellowship grant Depuy, May 2010, UK
- British Trauma Society best poster national award May 2011, Manchester. Pilot study for a randomized control trial looking at plating versus intra-medullary nailing of closed distal tibia fractures.
- Recipient of the Orthopaedic Trauma Association (OTA) Kathy Kramer Young Clinical Scholarship for the Clinician Scholar Development Program from the AAOS (October 2013)
- Recipient of Young investigator Award ORS/AAOS bone infection symposium Chicago May 2014.
- Named 5280 Magazine Top Doctor for Orthopaedics in 2018.

ORGANIZATION OF CONFERENCES, SYMPOSIUMS AND WEBINARS

- OTWA (Orthopaedic Trauma World Association) webinar series on trauma. I organized and chaired a series of 6 webinars. 2015
- Organized a webinar series and chaired the 2016 sessions on medical writing
- Development and Chair of International Consortium of Infected Tibia (ICIT) group of 20 world experts on segmental bone loss reconstruction.
- Organized symposium on medical writing and fracture care at the SICOT (International Society for Orthopaedic and Trauma surgery) meetings 2012-2017. One of the largest and oldest Orthopaedic societies with 1,500-4000 participants
- Multiple symposiums organized at the Orthopaedic Trauma Society meeting (OTA).
- Organization of International day of the OTA annual meeting 2014-2017 (programs, symposium, topics).
- Chair of editorial board meetings for the European Journal of Orthopaedics (Springer), Paris, France 2015, 2016, 2017.
- Guest editor for several special issues related to trauma: for the European Journal of Orthopaedic Surgery and Trauma (2016) for International Orthopaedics (2017) and recently the JOT special issue for the OTA on segmental tibial defects October 2017.

- Scientific committee for the APOA 2017 (Asia Pacific Orthopaedic Association) organizing program for the ISFR branch of the meeting with speakers and symposia.
- Organization of ISFR (International Society for Fracture Repair) annual workshop on tibial segmental defects, Marseille France, June 2017.

TEACHING

- Associate Clinical teacher at the University of Warwick SOM from 2007 to 2013.
- AOTrauma North America and AO International Faculty
- Founder and CEO of training4doctors (www.training4doctors.co.uk), provider of medical training courses to post graduates in various disciplines of surgery/medicine. Jan 2007 – Dec 2011. During this period I trained several hundreds of graduate students doing one-day courses on basic surgical skills, X-ray survival and basic trauma.
- Faculty training module “Educational Supervision for trainers” from West midlands National Health Trust, Associate post graduate Dean. January 2010.
- Started a formal tri weekly teaching program for rotating residents at Denver Health covering the entire AO basic trauma syllabus on each block.

International/ national teaching experiences to residents and specialists:

1. Hands On Skill Labs on residents fracture course: Spanning Ex-Fix Strategies/ORIF Plateau: Options. OTA Conference-Minneapolis, MN October 4, 2012.

2. Combined 33rd SICOT and 17th POA Orthopaedic World Conference-Dubai, United Arab Emirates. "How to Write A Research Paper" November 29, 2012.
3. GECCO 2013, Bourg-St. Maurice, France. The management of tibial plateau fractures using balloon osteoplasty. January 20, 2013.
4. GECCO 2013, Bourg-St. Maurice, France. How to get published. January 20, 2013.
5. AO Pelvic and acetabular course. "Pelvic packing for pelvic fractures" Beijing June 5-10 2013.
6. AO Pelvic and acetabular course "ORIF of pubic symphysis injuries" Beijing June 5-10 2013.
7. AO Pelvic and acetabular course "Radiology of the acetabulum", Beijing June 5-10 2013.
8. AO Pelvic and acetabular course "Management of both column fractures", Beijing June 5-10 2013.
9. AO Pelvic and acetabular course "Management of transverse acetabulum fractures with posterior wall". Beijing, China. June 7-9, 2013
10. AO Trauma course. Introduction and indications for the Ilio-Inguinal approach to the acetabulum. Chinese Orthopaedic Association meeting, Beijing, China. November 8th 2013.
11. AO trauma course. The Kocher Langenbeck approach to the acetabulum. Chinese Orthopaedic Association meeting, Beijing, China. November 8th 2013
12. Instructional Course Lecture "Medical Writing in Orthopaedics: Research Methodology". AAOS 2014 New Orleans March 2014.
13. Approaches to the distal tibia. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
14. Approaches to the hip and knee. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
15. Case examples of tibial fractures. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
16. Case examples of hip fractures. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).

17. Case presentation of proximal humerus fractures. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
18. Management of post traumatic infected ankles. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
19. Demonstration of tibial nailing tips and tricks. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
20. Cadaveric demonstration of percutaneous acetabular surgery anterior column and posterior column fixation. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
21. Cadaveric demonstration of approaches to the forearm. Advance Trauma Course, SICOT India, MS Ramaiah Learning Center, Bangalore, India. May 30- June 1st 2014. (Course Director).
22. Acetabular fractures, SICOT webinar series, July 11th 2014.
23. Guro Hospital symposium. "Pelvic packing for pelvic fractures", Korea University Guro Hospital. August 27th 2014
24. Guro Hospital symposium. "Novel strategies for the management of long bone osteomyelitis", Korea University Guro Hospital. August 27th 2014
25. AO pelvic and acetabular course. "The management of hemodynamically unstable pelvic ring injuries", Korea University Guro Hospital. August 28th 2014
26. AO pelvic and acetabular course. "Kocher Langenbeck approach to the acetabulum", Korea University Guro Hospital. August 28th 2014
27. AO pelvic and acetabular course. "Primary total hip replacement in osteoporotic acetabular fractures", Korea University Guro Hospital. August 28th 2014
28. AO pelvic and acetabular course. "Kocher Langenbeck approach to the acetabulum", Korea University Guro Hospital. August 28th 2014
29. AO pelvic and acetabular course. "Radiological anatomy of the acetabulum", Korea University Guro Hospital. August 28th 2014
30. AO pelvic and acetabular course. "Pipkin fractures", Korea University Guro Hospital. August 28th 2014
31. OTA 2014 Meeting November 15-18th Tampa, USA. Residents Trauma course. The management of open fractures

32. OTA 2014 Meeting November 15-18th Tampa, USA. Residents Trauma course. Placement of sheet or pelvic binders for hemodynamically unstable pelvic fractures
33. Asia Pacific Orthopaedic Association. Complex elbow fractures. Mumbai, India March 13-15 2015
34. Asia Pacific Orthopaedic Association. Parallel plating versus 90 degree for distal humerus fractures. Mumbai, India March 13-15 2015
35. Asia Pacific Orthopaedic Association. Preoperative planning for distal humerus fractures. Mumbai, India March 13-15 2015
36. Asia Pacific Orthopaedic Association. Novel strategies for the management of long bone infections. Mumbai, India March 13-15 2015
37. Asia Pacific Orthopaedic Association. New developments to treat tibial plateau fractures. Mumbai, India March 13-15 2015
38. Asia Pacific Orthopaedic Association. Percutaneous acetabular fracture surgery. Mumbai, India March 13-15 2015
39. Asia Pacific Orthopaedic Association. Complications of acetabular fracture fixation. Mumbai, India March 13-15 2015
40. AO Pelvic and acetabular fracture course. Stoppa approach. 21-25 May 2015, Bangalore, India.
41. AO Pelvic and acetabular fracture course. Percutaneous pelvic surgery. 21-25 May 2015, Bangalore, India.
42. AO Pelvic and acetabular fracture course. Percutaneous acetabular surgery. 21-25 May 2015, Bangalore, India.
43. AO Pelvic and acetabular fracture course. ORIF acetabulum in elderly patients. 21-25 May 2015, Bangalore, India.
44. AO Pelvic and acetabular fracture course. Pros and cons of embolization, tamponade. 4th-7th June 2015, Beijing, China
45. AO Pelvic and acetabular fracture course. Kocher Langenbeck approach to the acetabulum. 4th-7th June 2015, Beijing, China
46. AO Pelvic and acetabular fracture course. Surgical and radiographic anatomy of acetabulum. 4th-7th June 2015, Beijing, China
47. Hebei 3rd Hospital grand round. Stoppa approach for acetabular fracture fixation. June 8th 2015, Shijiazhuang, China

48. Hebei 3rd Hospital grand round. Novel strategies for the diagnosis and treatment of long bone osteomyelitis. June 8th 2015, Shijiazhuang, China
49. Xian 1st Hospital grand round. Stoppa approach for acetabular fracture fixation. June 10th 2015, Xian, China
50. Xian 1st Hospital grand round. Novel strategies for the diagnosis and treatment of long bone osteomyelitis. June 10th 2015, Xian, China
51. Xian 1st Hospital grand round. Vertical shear pelvic fractures. June 10th 2015, Xian, China
52. SICOT 2015. How the system works, medical writing review symposium. Guangzhou September 2015
53. SICOT 2015. EJOST, medical writing symposium. Guangzhou September 2015
54. SICOT 2015. Distal femoral fractures. Guangzhou September 2015
55. SICOT 2015. Strategies to prevent failure following ORIF of femoral neck fractures. Guangzhou September 2015
56. SICOT 2015. Moderator on pelvic and acetabulum session. Guangzhou September 2015
57. AAOS and OTA pelvic and acetabular fracture course, AAOS Chicago, September 24-26 2015. Classification of pelvic ring fractures.
58. OTA Annual conference October 2015, San Diego. Vertical shear pelvic fractures, the role of the anterior approach. Organized in the International forum
59. ILLRS (ring fixator) congress, Miami November 2015. Chaired a symposium on the management of long bone infections. Talked about novel treatment strategies
60. Co directed the Vumedi "The Event" Trauma section with Dr Chip Routt. San Francisco November 2015.
61. Vumedi, The Event: How I manage closed advanced tibial fractures. San Francisco November 2015
62. Vumedi, The Event: Modified Stoppa approach to the acetabulum. San Francisco, November 2015.
63. How does a level I trauma center function in the USA. GECO, January 2016, France
64. The stoppa approach, February 2016. Jishuitan hospital forum, Beijing, China
65. Management of pelvic ring fractures, February 2016. Jishuitan hospital forum, Beijing, China

66. How to prevent complications in hip fracture fixation, February 2016. Jishuitan hospital forum, Beijing, China
67. The management of non unions, February 2016. Orthopaedic International Conference, Beijing, China
68. Post traumatic long bone osteomyelitis, February 2016. Orthopaedic International Conference, Beijing, China
69. Acetabular ORIF in the elderly patients. February 2017, Beijing Tijuitan Conference.
70. Acute THA for acetabular in the elderly patients. February 2017, Beijing Tijuitan Conference.
71. Acetabular ORIF in the elderly patients. February 2017, Canwell International Orthopaedic forum.
72. Acute THA for acetabular in the elderly patients. February 2017, Canwell International Orthopaedic forum.
73. Modified Stoppa approach to the Acetabulum. Asia Pacific Orthopaedic Association March 28-31st 2017, Kuala Lumpur Malaysia.
74. Approaches to tibial plateau fractures. Asia Pacific Orthopaedic Association March 28-31st 2017, Kuala Lumpur Malaysia.
75. Damage Control orthopaedics. Asia Pacific Orthopaedic Association March 28-31st 2017, Kuala Lumpur Malaysia.
76. Percutaneous acetabular fixation. Asia Pacific Orthopaedic Association March 28-31st 2017, Kuala Lumpur Malaysia.
77. How I manage tibial segmental bone defects. Michigan Orthopaedic Society guest lecturer April 5th 2017, Ann Arbor, Michigan.
78. High energy pelvic ring injuries, the A, B and C's. Michigan Orthopaedic Society guest lecturer April 5th 2017, Ann Arbor, Michigan.
79. Anterior approaches to the pelvic ring. The Leeds pelvis course, Leeds, UK April 18-20 2017.
80. Ilio inguinal and Stoppa approach to the acetabulum. The Leeds pelvis course, Leeds, UK April 18-20 2017.
81. The modified Stoppa approach to the acetabulum. International conference of Orthopaedic Trauma, University Hospital Buenos Aeres, May 4-5 2017.
82. The masquelet technique, how I do it. International conference of Orthopaedic Trauma, University Hospital Buenos Aeres, May 4-5 2017.

83. How do I manage infected tibial nails. International conference of Orthopaedic Trauma, University Hospital Buenos Aires, May 4-5 2017.
84. Non-union of long bone fractures, central conference. International conference of Orthopaedic Trauma, University Hospital Buenos Aires, May 4-5 2017.
85. Vertical shear pelvic fractures. International conference of Orthopaedic Trauma, University Hospital Buenos Aires, May 4-5 2017.
86. Approaches to proximal third tibia fractures, nail or plate? International conference of Orthopaedic Trauma, University Hospital Buenos Aires, May 4-5 2017.
87. Reduction strategies for femoral neck fractures. International conference of Orthopaedic Trauma, University Hospital Buenos Aires, May 4-5 2017.
88. ORIF of failed intertrochanteric fractures. International conference of Orthopaedic Trauma, University Hospital Buenos Aires, May 4-5 2017.
89. Introduction on the topic of tibial segmental defects. ISFR/ORS workshop Marseille, France June 23rd 2017.
90. Case examples of Masquelet and bone transport for tibial segmental defects. ISFR/ORS workshop Marseille, France June 23rd 2017.
91. High-energy pilon fractures, tips and tricks for their management. Chicago Annual Trauma course, Chicago, July 2017
92. New developments for the fixation of patella fractures. Chicago Annual Trauma course, Chicago, July 2017
93. ABC of pelvic ring injuries, Rajasthan Orthopaedic Society, Jaipur, India September 2017
94. Modified Stoppa approach for fixation of acetabular fracture, Rajasthan Orthopaedic Society, Jaipur, India September 2017
95. Percutaneous acetabular surgery, Rajasthan Orthopaedic Society, Jaipur, India September 2017
96. Percutaneous acetabular fracture surgery. AOTAP course, Hong Kong November 2017
97. Pelvic ring injuries, what's new? AOTAP course, Hong Kong November 2017
98. What does mini invasive mean in orthopaedic trauma fracture care? AOTAP course, Hong Kong November 2017
99. Research methodology in Orthopaedics, what is the standard today? Chinese Orthopaedic Association annual meeting, Zhuhai November 2017

100. Complications in pelvic and acetabular surgery. The AO day during Chinese Orthopaedic Association annual meeting, Zhuhai November 2017
101. Pelvic ring injuries management. India Trauma Society annual meeting, Hyderabad, India, March 2018
102. Acetabular fracture complications. India Trauma Society annual meeting, Hyderabad, India, March 2018
103. Segmental defect treatment in the tibia. India Trauma Society annual meeting, Hyderabad, India, March 2018
104. AB and C's of long bone non-unions. India Trauma Society annual meeting, Hyderabad, India, March 2018
105. What I have learned from a complication. India Trauma Society annual meeting, Hyderabad, India, March 2018
106. The acute management of pelvic ring fractures concept of occult fracture identification. Jishuitan annual conference, Beijing April 2018
107. Acetabular fractures in the geriatric population, our research. Jishuitan annual conference, Beijing April 2018
108. Posterior tibial plateau fractures. Jishuitan annual conference, Beijing April 2018
109. Assessment and classification of pelvic ring fractures. AO pelvic trauma course, Jakarta, Indonesia, May 2018
110. Minimizing surgical footprint. AO advanced trauma course, Jakarta, Indonesia, May 2018
111. Femoral neck fractures different patients different problems. AO advanced trauma course, Jakarta, Indonesia, May 2018
112. Principles of acetabular fractures management. AO advanced trauma course, Jakarta, Indonesia, May 2018
113. Pelvic ring fracture fixation, technique indication and concepts
114. Reduction and fixation options for sacral fractures. AO pelvic trauma course, Jakarta, Indonesia, May 2018
115. Classification of acetabular fractures. AO Pelvic course, Tianjin, China, June 2018.
116. Acute management of pelvic ring fractures. AO Pelvic course, Tianjin, China, June 2018.

117. Complications following acetabular fractures. AO Pelvic course, Tianjin, China, June 2018.
118. Both column fractures of the acetabulum. Advanced pelvic and acetabulum course, Bangalore, India July 2018.
119. Sacral dysmorphism diagnosis and surgical technique. Advanced pelvic and acetabulum course, Bangalore, India July 2018.
120. Combined pelvic and acetabulum cases, reduction strategies and fixation methods. Advanced pelvic and acetabulum course, Bangalore, India July 2018.
121. Mini invasive fixation of acetabular fractures. Advanced pelvic and acetabulum course, Bangalore, India July 2018.
122. Pelvic packing for the management of hemodynamically unstable pelvic ring injuries. AO Pelvic and Acetabular course, Seoul Korea, Aug-Sept 2018
123. Combined pelvic and acetabular fractures, what is my preferred management strategy. AO Pelvic and Acetabular course, Seoul Korea, Aug-Sept 2018
124. Management of posterior ring fractures and fracture dislocations. AO Pelvic and Acetabular course, Seoul Korea, Aug-Sept 2018

Online format (Movies and online CME lectures):

1. Mauffrey C. <http://www.vumedi.com/video/arthroscopy-assisted-percutaneous-reduction-and-fixation-of-tibial-plateau-fracture-using-inflation/> Video published online on a novel surgical technique, posted in July 2012. Over 10,000 views.
2. Mauffrey C. <http://www.vumedi.com/video/percutaneous-acetabular-surgery/> Video published online on a novel surgical technique to fix acetabular fractures percutaneously, posted in January 2013. Just under 5,000 views.
3. Mauffrey C, Della Rocca G, Pape HC, Costa M, Baldy F. <http://www.vumedi.com/video/open-tibia-type-iii-b-fractures/?list=45aeccac-e20a-4727-964c-e809295619c5> This is a webinar on open tibial fractures that I chaired on August 19th 2013, viewed by 4900 surgeons.
4. Mauffrey C. Extra articular distal tibia fractures to nail or to plate? Local teaching experiences to medical students and junior residents:

1. Management of gunshot wounds. Birmingham Heartlands Hospital, November 17, 2004.
2. Secondary prevention of post menopausal osteoporotic fragility fractures. UHCW 8th November 2006.
3. The use of fine wire circular frames in the management of intra articular displaced calcaneal fractures. UHCW, November 2007
4. Carpal biomechanics and instability. Warwick Hospital audit meeting, March 2009.

5. Basic surgical skills course. Training4doctors, Solihull institute for medical training (UK). January 16th 2010. Teaching to junior residents. Attendance 10.
6. Basic trauma course. Training4doctors, Solihull institute for medical training (UK). January 23rd 2010. Teaching to junior residents. Attendance 15.
7. X-ray survival. Training4doctors, Solihull institute for medical training (UK). February 19th 2010. Teaching to junior residents. Attendance 09.
8. Basic surgical skills course. Training4doctors, Solihull institute for medical training (UK). March 12th 2010. Teaching to junior residents. Attendance 14.
9. Basic surgical skills course. Training4doctors, Solihull institute for medical training (UK). April 24th 2010. Teaching to junior residents. Attendance 14.
10. Station examiner for mock MRCS OSCE. The Warwick and Worcestershire Basic surgical training. University of Warwick SOM. May 13th 2010.
11. Management of common hand conditions. The Warwick and Worcestershire Basic surgical training. University of Warwick SOM. June 24th 2010.
12. Distal tibia fractures, current state of evidence. University of Colorado, Denver, USA, April 11, 2011.
13. Acetabular fractures and approaches. University Hospital Coventry and Warwick, October 26th 2011. Teaching to Specialist registrar in cadaveric lab. Attendance 15 specialist registrars
