I HOPE YOU WILL ENJOY READING about the many accomplishments of the Denver Health Foundation during 2014. Denver Health made significant strides in fulfilling its mission to its patients and the city of Denver, and our community is healthier as a result. During a year when scores of hospitals and healthcare systems across the country were forced to close amidst mounting financial pressure, Denver Health continued to operate in the black. This financial strength, along with high quality patient care makes for a compelling story and allowed us to raise $7,441,903 to support the enterprise.

The Foundation’s 2014 audited financial report contains some dramatic figures. Of special note was $3.49m donated by foundations, $1.73m from businesses and $607,095 from individual gifts. Denver Health provides world class medical care to one-third of the residents of Denver in a state-of-the-art facility. For the 52% of patients who live below Federal poverty levels, Denver Health is a life-saver. Gifts like yours make it possible to provide care to those who need it most.

The 9th and newest community health clinic in the Denver Health constellation will be built in one of Denver’s poorest neighborhoods and the Foundation has promised to raise $11m toward its construction. The announcement of a brand new Southwest Family Health Center on south Federal Blvd. brought praise from every quarter of city and state government and ignited hope for its residents. Former Denver mayor, Federico Peña and his wife, Cindy Peña agreed to chair the 3-year capital campaign.

... as the economy begins to rebound, we look forward with optimism. We are nothing if not ambitious.
Our annual fundraising Gala, NightShine, took place on Saturday evening, April 26th at the National Western Events Center. The barefooted headliner, Michael Franti and his band, Spearhead, energized a crowd of 1,800 guests. We thank Foundation board member, Chuck Morris, for his assistance in securing Michael Franti for our event.

The Gala, chaired by Steve Demby and Stanton Dodge honored outgoing Board of Directors Chair, David McReynolds for his significant contributions to Denver Health and the Denver Health Foundation during three decades. It also recognized Chief Clinical Officer Dr. Phil Mehler for a long and distinguished career.

Other successful events in 2014, most notably Hot Rocks Griller Challenge, Men’s Night Out and Denver Throws a Baby Shower also brought in significant funds.

To help with the many demands in front of us, we welcomed new board members, Jeff Geller, Barbara Kreisman, Elizabeth Peros and Les Shapiro.

Lastly, I offer my congratulations to the Denver Health workforce who pledged $237,000 of their personal resources to programs, patient assistance and research through the Employee Giving Campaign. Not only do we rely on employees to support their patients by providing high quality healthcare, they also support the extraordinary institution that makes it possible. On behalf of the entire Board of Directors I thank all of the hundreds of employees who participated in this year’s campaign.

To all of our supporters, I look forward to another triumphant year of working together. Your efforts really make a difference at Denver Health.

With heartfelt appreciation,

~ Michael Pollak
NIGHTSHINE GALA

The Denver Health Foundation NightShine Gala is Denver’s most talked about charity event of the year and 2014 was no exception. Event chairmen Steve Demby and Stanton Dodge made sure that 1,800 guests were all aboard for rock and roll at the National Western Events Center on April 26th.

The black-tie evening honored David McReynolds, an incredible supporter who has given his time, energy and talents to help make Denver Health what it is – a shining national model of health care success, featuring nationally-ranked specialties like trauma, orthopaedics, infectious disease, complications due to eating disorders and urology.

Retiring Chief Clinical Officer, Dr. Philip Mehler was also recognized for three decades of distinguished service.

At NightShine, Denver Health's many supporters come together to celebrate and help sustain Denver's most comprehensive and successful health system.

Generous guests and table sponsors helped raise approximately $1.3 million.

HOT ROCKS GRILLER CHALLENGE

Who can stand the heat? When 14 of Denver’s hottest chefs get together, there’s bound to be fiery competition and knock-out food. The summer’s tastiest outdoor bash, Hot Rocks Griller Challenge, did all that while raising money for the Denver Health Foundation and men’s health programs at Denver Health. The event took place on Wednesday, June 11th on the patio outside Elway’s Restaurant in Cherry Creek.

The smokin’ hot food was accompanied by cold libations and other supplies donated by Southern Wine and Spirits, Bing Energy Drink, Aspen Pure Water, Great Divide Beer, Patron Spirits, The Wine Group and King Soopers.

Co-chaired by Josh Hanfling, Charlie Walling and Monica Owens, the Hot Rocks Griller Challenge raised $112,000 for Men’s Health programs at Denver Health to improve education, access to screening and treatment programs, and outreach to Denver’s medically underserved men.
EMPLOYEE GIVING CAMPAIGN

Whether they are in the operating room, at the bedside or in a critical role behind the scenes, Denver Health employees make a meaningful difference in the lives of people throughout our community every day. Through the Employee Giving Campaign they are also making significant financial gifts that will stay close to home at Denver Health. The Denver Health Foundation's Employee Giving Campaign gives them the opportunity to direct their private philanthropic dollars to support Denver Health's exceptional research and state-of-the-art patient care and everything in between. A payroll deduction plan makes it convenient to make a contribution from each paycheck.

2014 was a banner year for giving in this campaign with a total of $237,331 pledged, with the participation of 1047 participants representing 19% of the workforce.

All gifts from Denver Health employees in this project stayed at Denver Health to benefit one of the many Foundation funds, including:

- Scholarships for continuing education for members of the Department of Nursing
- Endowments dedicated to research in each of eleven clinical areas of the hospital
- Extraordinary patient needs like prescription co-pays, eyeglasses and dental work through the Patient Assistance Fund

GIFTS FROM FOUNDATIONS

The local and national foundation community has come to recognize Denver Health as a high-quality integrated health care system that is a model for other safety net institutions across the country. Foundations in 2014 supported Denver Health facilities development, academic program enrichments, equipment purchases, patient care, medical research and professional education. All funds, whether for facilities, research or education, are used to ensure the highest quality of care for current and future patients.

Total gifts from foundations $3,489,431
Top foundation grants (> $250K) in 2014
Colorado Health Foundation $2,029,680
Anschutz Foundation $260,000

www.denverhealthfoundation.org
PATIENT ASSISTANCE FUND

Denver Health serves the most vulnerable residents of Denver, and we are proud to provide high-quality care for those in need. Even when insurance pays for much of a person’s treatment there can be additional costs that make it impossible for some patients to receive the care they need. All too often the sick and elderly find themselves in fragile circumstances with a shortage of funds.

The Patient Assistance Fund provides a safety net in these difficult situations, covering the many needs that cannot be addressed within the confines of a hospital’s operating budget, like co-pays, eyeglasses and hearing aids and transportation costs, to name just a few. It takes a collective effort to ensure the well-being of special populations, and your donation to the Patient Assistance Fund helps our neediest patients, including the poor, uninsured, mentally ill, pregnant teens, persons addicted to alcohol and other substances, victims of violence, the homeless, and people living with AIDS. We rely entirely on gifts and grants to underwrite the Patient Assistance Fund, which is why your contribution is so important.

In 2014, $185,579 was spent to support these types of direct needs for 6,500 grateful patients.

SCHOLARSHIPS

Denver Health is committed to educating the next generation of healthcare providers.

As part of this commitment, the Foundation raised the funds to provide scholarships for the following programs:

- School of Medical Laboratory Science
- Denver Health Paramedics
- Department of Nursing

www.denverhealthfoundation.org
NEWBORNS IN NEED

At Denver Health, a special day for mothers is not limited to the month of May. **All year long, committed supporters like you provided cash and in-kind gifts like diapers and blankets worth $327,500 to fill “Warm Welcome” gift bags for every mother and her new baby born at Denver Health Medical Center.** The program gave away nearly 100 car seats and dozens of baby beds to help every baby get off to a healthy start in life.

In addition, the Foundation supports the “Centering Pregnancy” group visits at Montbello Clinic. Mothers-to-be are grouped by their due date and meet each month for prenatal check-ups, learning and socializing. As their delivery nears, the group meets weekly and takes a field trip to visit the hospital to become familiar with Denver Health’s Labor and Delivery Unit. Once all the babies have arrived, the families have a class reunion and celebration. Hundreds of new babies have gotten off to a healthy start in life because of Centering Pregnancy.

Because of popular demand, many families have gone on to another year of group visits with their newborns in a similar program called, “Centering Parenthood.” It’s a wonderful example of innovation in healthcare that produces lifelong benefits for patients.
SAFETY NET FUND

MEET KIMBERLY – Like many American children her age, Kimberly was overweight and her pediatrician was concerned. She was referred to Denver Health’s Pediatric multi-disciplinary Healthy Lifestyles Clinic where she was encouraged to lose weight. She quickly lost 3 lbs. and recently completed a 5k run. The Healthy Lifestyles Clinic is one example of programs at Denver Health supported by the Safety Net Fund. Kimberly’s pediatrician reported, “It was wonderful to see the patient light up when she talked about how much she enjoyed exercising, how much more energy she has now, and how she needs to buy a belt because her pants no longer fit her!

MEET KRISHNA, a Bhutanese-Nepali refugee. Hundreds of refugees are seen each year at Denver Health’s Lowry Clinic. Many of them have suffered for decades from lack of access to regular healthcare, vitamin deficiencies and malnutrition. With your support, the Denver Health Foundation is helping patients like Krishna and his family to thrive in their new country.

COMMUNITY CANCER RESOURCE CENTER, SPOTLIGHT ON SUSAN G. KOMEN COLORADO AND KING SOOPERS

Susan G. Komen Colorado is a longtime supporter of breast cancer services at Denver Health. In 2014, Komen Colorado provided $206,073 in grant funding to provide breast cancer screening & diagnosis services and treatment for Denver Health patients. These services reached more than 500 Denver Health patients, including some of the most difficult cases among the most underserved women within our community.

As in past years, additional funds from Susan G. Komen Colorado were joined by a generous gift from King Soopers. Together they provided supportive services through the Community Cancer Resource Center (CCRC). The CCRC is dedicated to promoting physical and mental health, and is a place for cancer patients and survivors to access information and assistance with the myriad issues they face on their journey. CCRC services include culturally-appropriate individual and group activities related to treatment regimen, nutrition, mind-body approaches to coping with cancer, self-image resources, referrals and transportation.

Denver Health Foundation values the partnership of Komen Colorado and King Soopers in helping to ensure all Denver residents receive quality care in their time of need.
COMMUNITY CANCER RESOURCE CENTER
This proud mother underwent chemotherapy at Denver Health while pregnant. Her cancer is in remission and the baby is thriving. Mom credits the Community Cancer Resource Center with helping her and her family through the worst of it.

Denver Health continues to stand for quality, compassion, integrity, and collaboration.

The Denver Health Foundation sincerely appreciates every gift contributed. Every day, these meaningful contributions are put to work and are making a significant impact in alleviating healthcare disparities in the community and in meeting the special, challenging needs of vulnerable infants, children, adolescents, and adults.
