

Dear Regis College Students,

To be eligible to apply for the Healthcare Interest Program (HIP) at Denver Health, you must:

- Meet with Mindy Taylor in the Academic Internship Program prior to applying.
- Have completed, with a passing grade of C- or higher, two semesters of lower-division Biology and one additional science class that directly pertains to pre-requisites in your pre-health track.
- Have and maintain a 2.75 GPA or higher when applying to, and participating in, HIP.
- Be enrolled as a degree-seeking student at the time of application and be in good academic standing for the entire 2020 - 2021 academic year at Regis University.

If you are accepted into HIP for next academic year, you must:

- A. Be able to commit to HIP for the full academic year, attending all classes, mandatory events, and scheduled meetings with physician/mentor.
- B. Agree to enroll in the HIP course (PC 497) during the Fall and Spring terms for 1 credit each semester (classes will be from 11:30am-5:00pm on scheduled Fridays at Denver Health); Mindy will enroll you by add/drop each semester.
- C. Complete the required immunizations and upload official documentation from doctor's office/pharmacy in MyClinicalExchange (MCE) by HIP's deadline.
- D. Complete the following online through Regis by **July 1, 2020** (Mindy will provide an access link):
 1. Background check
 2. Training in infection control/standard precautions (OSHA)
 3. HIPAA training

Please contact Mindy Taylor, Director of the Academic Internship Program, to schedule a meeting:
