31						

The Mobile Health Center is open & providing curbside COVID-19 testing.

For Denver Health patients:

- *By appointment with your primary care provider or through your MyChart symptom tracker
- *Your appointment may be scheduled at a curbside testing location, which now includes the Mobile Health Center (MHC).

For the community:

*Denver Health is offering free testing for individuals with COVID-19 symptoms living in Denver's most affected neighborhoods. For more information, open your camera app and scan the QR code or type the URL in your web browser:
