**Who can use a SBHC?**
Any DPS student is eligible to use a SBHC. Students are eligible regardless of insurance status or ability to pay. SBHC can serve as the primary point of care for a student or can work in conjunction with a student’s primary care doctor.

**Why choose a SBHC?**
SBHCs offer convenient care that limits the amount of time students are out of class and parents/guardians have to be off work. In many cases, students are able to get same or next day appointments.

**What services may be offered?**
- Well Child Checks which meet the requirements of school, sports, camp, and employment physical exams. This may include routine lab tests and immunizations
- Prescriptions and medications
- Care for chronic conditions such as asthma and depression
- Care for acute injury and illness
- Reproductive health services including pregnancy testing and birth control evaluation, dispensing, and management
- Testing and treatment for sexually transmitted infections
- Individual, group and family mental health counseling
- Dental screenings, routine cleanings, fluoride varnish application, sealants, and dental x-rays
- Dental exams and treatment plans
- Parent and child health education

**Who provides services?**
- Nurse Practitioner, Physician Assistant or Physician
- Mental Health Therapist or Psychiatrist
- Substance Abuse Counselor
- Health Care Partner/Medical Assistant
- Health Educator
- Community Health Advisor/Outreach Worker
- Registered Dental Hygienist
- Dentist

**Parent involvement?**
A parent or guardian must sign a consent form before their child may use any health center service. Once this is done, the child may use the health center at any time during the 12 month consented period.

Supporting family communication is a principle goal of the health center. Clinic staff encourages patients to discuss their health care with their parents. However, parents are not routinely notified when a patient uses the health center, except by patient request or when the staff becomes aware of serious health concerns.

**Confidentiality?**
Colorado state law allows some visits to the health center to be confidential as appropriate. Information is not shared without patient and/or parental permission. The only exception is a life-threatening situation.

**What does it cost?**
There is no charge to the patient or their family for services offered in the health center. Patients will not have to pay co-pays, deductibles or fees to be seen. Insurance may be billed but without cost to families.

**Insurance enrollment help?**
When registering for use of the clinic, families are asked to provide health insurance information or to apply for low-cost child health insurance options and discount programs. Insurance outreach and enrollment staff are available through the School-Based Health Center to assist families with the insurance application process.

DSBHC may disclose health information for payment, treatment, and health care operations as described in Denver Health's Notice of Privacy Practices. As allowed by Colorado law, my student may request confidential visits meaning all health information from the visit will remain confidential. I understand that the Colorado Department of Public Health and Environment (CDPHE) provides funding for the health services my student receives at a school-based health center, and is legally able to receive information regarding services provided to patients. I authorized DHHA and its care providers to disclose to the payer of benefits any information from my student's medical and billing records necessary to obtain payment. I understand that once information is released DHHA will be unable to control its confidentiality.

DENVER HEALTH AND HOSPITAL AUTHORITY

OUTPATIENT GENERAL CONSENT FOR TREATMENT AND TERMS RELATING TO PAYMENT (“CONSENT”)  

CHANGES TO THIS CONSENT: I UNDERSTAND THAT I MAY NOT CROSS OUT ANY OF THE PROVISIONS OF THIS CONSENT AND THAT IF I DO THE DENVER HEALTH AND HOSPITAL AUTHORITY MAY REFUSE TO PROVIDE ME WITH NON-EMERGENCY-RELATED HEALTHCARE. I UNDERSTAND THAT ANY CHANGES I MAKE WILL NOT BE BINDING OR ENFORCEABLE.

DEFINITIONS: The "Denver Health and Hospital Authority" ("DHHA") includes all of DHHA's facilities including the hospital and neighborhood, school-based and mobile clinics and satellite offices and ambulances. "Healthcare" includes routine hospital services, diagnostic procedures, intravenous therapy, medications, anesthesia, injections, blood transfusions, counseling and other health services.

CONSENT FOR TREATMENT: I request and agree to receive healthcare from DHHA's care providers and others allowed to provide healthcare at DHHA, either in person or via telehealth. DHHA is a teaching hospital and some of my care may be given by care providers in training who may not be employees of DHHA. I have a right to ask questions and talk about my treatment with my care provider and I have a right to refuse any treatment. If I decide to leave DHHA before my treatment is finished, I will talk to my care provider(s) before leaving. If I leave without talking to my care provider and my health, safety or welfare are not at risk, my leaving will be noted as a Discharge Against Medical Advice in the DHHA’s records. I may be asked to sign other consent forms if I have a procedure or take part in a research study. I understand that the practice of medicine and surgery is not an exact science and that diagnosis and treatment may involve risks of injury and even death. I acknowledge that no guarantees or promises have been made to me about the outcome of my treatment.

IMAGES AND OBSERVATION BY OTHERS: My care providers may wish to have photographic, videotape, digital and other images taken of me for diagnostic, treatment, identification and educational purposes. Images that identify me will not be released outside of DHHA without my written permission, unless required by law or court order. I have a right to tell my care providers that I do not wish to have photographic, videotape, digital or other images taken of me. My care providers in training, who are not providing my care, may use these images for training and educational purposes. I have a right to tell my care providers that I do not wish to have others observe my care for training and educational purposes.

DISCLOSURE OF INFORMATION: I agree to allow DHHA and my care providers to disclose information from my medical and billing records for treatment, payment and healthcare operations purposes, as described in DHHA’s Notice of Privacy Practices, and for discharge planning, transfer and follow-up purposes. I agree to allow DHHA and my care providers to disclose information from my medical and billing records to any care provider involved in my care and to any party that may be responsible for payment of my healthcare expenses, including insurance companies, financial aid programs ("aid programs"), employers in workers’ compensation matters, and the party that caused my injuries and its legal representatives and insurers. I understand that once such information is disclosed, DHHA cannot control its confidentiality.

HEALTH INSURANCE AND FINANCIAL AID PROGRAMS: I understand that there is no guarantee of payment of my healthcare expenses by insurance or an aid program and that I must pay any healthcare expenses that are not paid by insurance or an aid program. I agree to give DHHA, prior to or at the time of my treatment, any information I have about any insurance available to pay my healthcare expenses and about any party that caused my injuries. I certify that all of the information I provide when applying for benefits under federal and state medical assistance programs will be true and correct. I understand that I must obtain all of the authorizations and referrals required by insurance companies and aid programs in order to make payment of my healthcare expenses. I UNDERSTAND THAT I MUST PAY ANY HEALTHCARE EXPENSES THAT ARE NOT PAID BY INSURANCE OR AN AID PROGRAM BECAUSE I FAILED TO TIMELY PROVIDE DHHA WITH INFORMATION NECESSARY TO FILE A CLAIM, OR BECAUSE I FAILED TO OBTAIN NECESSARY PRE-AUTHORIZATIONS AND REFERRALS, OR BECAUSE DHHA IS AN OUT-OF-NETWORK PROVIDER. I agree to pay all co-payments, deductibles and other charges not covered by insurance or an aid program, unless payment is not required by law or written agreement. I understand that I must pay for any healthcare not covered or discounted by insurance or an aid program because the healthcare involves cosmetic or other elective surgery or care that is not deemed medically necessary.

ASSIGNMENT OF BENEFITS AND CLAIMS: I hereby assign to DHHA, up to the amount of my medical expenses, any and all benefits, damages and settlements that may be received from health, homeowner’s, business owner’s, workers’ compensation, rehabilitation and disability insurance; and from motor vehicle medical payment, liability, uninsured, underinsured, fault-based and personal injury protection insurance; and from any negligence, personal injury and breach of contract claims that I may have relating to my injuries; and from Medicare, Medicaid and other aid programs. I hereby give to DHHA the right to file claims with, and collect payments directly from, any insurance company, aid program, or party that caused my injuries; and I hereby order and direct such insurance companies, aid programs and liable parties to make payment directly to, and solely to the order of, DHHA. I hereby assign to DHHA any and all claims that I may have against any party that caused my injuries and that party’s insurers. DHHA may, in its sole discretion, file suit to recover my healthcare expenses in my name or in the name of DHHA. I agree to assist DHHA in pursuing its claim in any reasonable manner requested. I hereby give to DHHA an irrevocable, limited, power of attorney to sign on my behalf any release, consent, authorization or other document requested by an insurance company in order to make payment to DHHA. I wish to provide for the payment of my healthcare expenses in the event of my death and therefore, to the extent permitted by law, authorize DHHA to nominate a Personal Representative to file and administer my estate, provide for the payment of allowed claims and other obligations, and pursue any claims my estate may have against any party that caused my injuries and that party’s insurers for the recovery of my healthcare expenses. Article 27 of Title 38, of the Colorado Revised Statutes, permits DHHA to file hospital liens against any insurance proceeds available to pay my healthcare expenses. DHHA may include my name, social security number, and date of birth in any hospital liens that DHHA files on my account.

DELINQUENT ACCOUNTS: I understand that no extensions, leniency or delays by DHHA in enforcing its rights to collect my healthcare expenses will release me from my obligation to pay my healthcare expenses. If my balance owing to DHHA becomes delinquent, DHHA may refuse to provide me, where allowable by law, with non-emergency-related healthcare until my balance is fully paid. Interest on delinquent balances will be charged at the lower of 12% per annum or the highest rate allowed by law. Should it become necessary for DHHA to file a collection lawsuit against me, DHHA may file such lawsuit in the District or County Courts of Denver, Colorado. I agree that DHHA may submit, and testify as to, my medical and billing records in any such collection lawsuit and related motion and discovery proceedings. In the event that DHHA prevails in court, I agree to pay to DHHA its reasonable attorney’s fees, court costs, and expenses of collection. I authorize DHHA to obtain copies of my credit bureau reports and to obtain from any source any and all information about me that is reasonably necessary for collection, location and identification verification purposes. I consent to be contacted by regular mail, email, text, or telephone (including wireless/cell number) regarding any matter to my account(s). This consent applies to all DHHA healthcare providers and/or any entities working on behalf of DHHA. This consent allows DHHA to employ auto-dialer technology and prerecorded messages. If I wish to revoke this consent, I agree to provide notice of that revocation by contacting DHHA Patient Financial Services.

BEHAVIOR EXPECTATIONS: I understand that if I am physically or verbally threatening, hostile, or violent while at any DHHA facility, I may be refused any further non-emergency-related healthcare. I understand that DHHA Security and the Police will be called and that, if appropriate, I will be prosecuted. I also understand that while admitted for treatment to Denver Health I may not leave my hospital room to go outside.

NON-SMOKING POLICY: I understand that I am not allowed to smoke on or adjacent to the DHHA campus, nor can I leave the campus to smoke during my admission.

CONTRABAND AND PERSONAL VALUABLES: I understand that I may not keep any weapons, explosives, drugs, alcohol or other contraband while I am at any DHHA facility. Should DHHA suspect the presence of contraband, DHHA may search my clothing, personal belongings and area of care. If any contraband is found, DHHA may take possession and dispose of it in any manner allowed by law. I understand that I should not keep in my possession any money or other valuable property while at DHHA. DHHA does not assume any responsibility for damage to, theft, or loss of my money and other property.

Name, MR#, Pat#, DOB
GOVERNMENTAL IMMUNITY: Medical care or treatment at DHHA may be provided by individuals who are considered public employees by the Colorado Governmental Immunity Act. The Colorado Governmental Immunity Act, Article 10 of Title 24 of the Colorado Revised Statutes, limits the amount of damages recoverable from public employees and entities, requires a formal notice of claim, and places a one hundred and eighty (180) day time limit on the period for filing such a notice of claim.

DURATION OF CONSENT: I understand that this Consent will remain in effect for as long as I receive healthcare at DHHA, or until I cancel this Consent in writing. If I cancel this Consent, it will be cancelled only as to future healthcare and not as to healthcare previously provided. If I have already received healthcare but my condition or other circumstances prevented me from signing this Consent until now, I understand and agree that the provisions of this Consent will apply to the healthcare that I have already received. I may be asked to sign additional Consent forms on a yearly basis and upon each admission to the hospital.

AUTHORIZED REPRESENTATIVE/GUARANTOR: If I am not the patient and I sign this Consent as the patient’s Authorized Representative, I hereby state that I have full legal authority to sign on behalf of the patient and I understand that DHHA is relying upon the truthfulness of this representation. I understand that both the patient and I will be fully bound by all of the provisions of this Consent. I understand that, by signing this Consent as an Authorized Representative, I GUARANTEE AND AGREE TO MAKE PAYMENT OF ALL OF THE PATIENT’S HEALTHCARE EXPENSES, and that if payment is not made, the patient and I will be subject to the remedies provided in the paragraph entitled, Delinquent Accounts, above.

RELEASE OF INFORMATION: I authorize the release of my medical information for treatment, payment, and health care purposes as defined in the DHHA Notice of Privacy Practices. I also understand that my health information will be exchanged electronically with other participating healthcare organizations and providers for continuity of care. I acknowledge that I can change my participation status, by requesting to “OPT OUT”, at any time by writing to: Denver Health and Hospital, ATTN: Health Information Management Department MC0296, 301 W. 6th Avenue, Denver, CO 80204.

ACKNOWLEDGMENT: I acknowledge that I have read this Consent and understand and agree with what it says. Any questions that I had about this Consent have been answered. No one has forced me to sign this Consent against my will. I have either received or have been offered a copy of this Consent.

I HEREBY CERTIFY THAT THE INFORMATION I PROVIDE BELOW WILL BE TRUE AND COMPLETE. I UNDERSTAND THAT PROVIDING FALSE INFORMATION TO OBTAIN HOSPITAL ADMITTANCE OR CARE IS A CLASS 1 MISDEMEANOR PUNISHABLE UPON CONVICTION BY UP TO EIGHTEEN (18) MONTHS IMPRISONMENT OR A $5,000.00 FINE OR BOTH (C.R.S. §§18-13-124 and 18-1.3-501). I UNDERSTAND THAT IF I PROVIDE FALSE, MISLEADING, OR INCOMPLETE INFORMATION AS TO MY IDENTITY OR RESIDENCE ADDRESS OR WHEN APPLYING FOR A FINANCIAL AID PROGRAM, DHHA MAY REPORT ME TO LAW ENFORCEMENT AND MAY REFUSE TO PROVIDE ME WITH NON-EMERGENCY-RELATED HEALTHCARE.
