

## INTERNSHIP ADMISSIONS, SUPPORT, AND INITIAL PLACEMENT DATA

*Updated September 2021*

### Program Disclosures

<p><b>Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?</b></p>	<p><input checked="" type="checkbox"/> <b>Yes</b></p> <p><input type="checkbox"/> <b>No</b></p>
<p><b>If yes, provide website link (or content from brochure) where this specific information is presented:</b></p>	
<p>Please see the <i>Application Information &amp; Instructions</i> section in the program brochure for details. Briefly, as with all Denver Health employees, being hired is contingent upon the applicant satisfying certain other eligibility requirements. These include a recent/current TB test, a physical exam, and current immunizations (these are usually done at Denver Health). Denver Health also completes a drug screen and consumer background, child abuse database, and criminal investigative report.</p> <p><b>In addition, any misrepresentation, misstatement, omission or distortion about your credentials, readiness for internship, professional competence, character, legal, or ethical history may be cause for immediate de-selection, dismissal, or termination from this program.</b></p>	

### Internship Program Admissions

<p><b>Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:</b></p>
<p>Denver Health considers applicants from accredited programs in clinical or counseling psychology. Preference is given to applicants with clinical experience in medical systems, with low income populations, with ethnically diverse populations, with serious mental illness, and with individuals or families with substance use disorders. Our site typically receives over 25 applications per position; overall quality of written communication is considered.</p>

<p><b>Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:</b></p>			
Total Direct Contact Intervention Hours	N	<u>Yes</u>	Amount: 500*
Total Direct Contact Assessment Hours	N	<u>Yes</u>	Amount: 30

<p><b>Describe any other required minimum criteria used to screen applicants:</b></p> <p>*A total of 600 combined face-to-face intervention and assessment hours, which must include a minimum of 30 assessment hours. Also, four completed integrated assessment batteries and reports are required at time of application. The desired ratio of intervention to assessment hours may vary based on track.</p>
