

# 2022 Addiction-Related Publications

The goal of the Center for Addiction Medicine’s Knowledge Management Workgroup is to enhance information systems to systematically improve processes, generate new knowledge, and drive organizational outcomes. A total of 13 Denver Health addiction-related manuscripts and book chapters were published from January through December 2022.

## Denver Health’s 2022 Addiction-Related Publications

- Binswanger, I. A., Rinehart, D., Mueller, S. R., Narwaney, K. J., Stowell, M., Wagner, N., Xu, S., Hanratty, R., Blum, J., McVaney, K., & Glanz, J. M. (2022).
