

2020 Addiction-Related Projects

As part of Denver Health's Center for Addiction Medicine (CAM), we are creating an inventory of Denver Health projects that are addiction related. We have queried Cayuse and QuIRC for projects that have either been funded or have been through our internal project review process and asked CAM champions to add anything missing from their respective departments. The following list includes 19 new addiction-related projects for 2020.

PROJECT TITLE	LEAD PI/PROJECT LEAD	AU/DEPT	PROJECT BEGIN DATE/SUBMISSION DATE	PROJECT END DATE	PROJECT AMOUNT	SPONSOR
