GENERAL VISITOR INFORMATION

All approved visitors:

- Must wear a mask, be in good health, and participate in a health screening
- If a health screening determines symptoms of an illness are present (example: temperature, cough, shortness of breath, etc.) the visitor will not be allowed to stay.
- Visitor movement will be restricted. Visitor must stay in patient's room unless directed by DH staff to leave during aerosol-generating procedures or other procedure during which visitors are usually asked to leave.

EXCEPTIONS CRITERIA

Individuals with disabilities who require in-person supports: ONE (1) assistance person MUST be allowed for patients who:

- Are deaf, blind, and/or deafblind
- Cannot rely on speech to communicate
- Have mobility impairments
- With psychosocial, intellectual, developmental, or cognitive disabilities, including those who have a history or record of such an impairment, or a person who is perceived by others as having such an impairment
- Rely on in-person supports for orientation, emotional support and anxiety management, and assistance with making decisions

Visitors under 18: ONE (1) visitor under the age of 18 is allowed ONLY in the following circumstances:

- They are the parent of a child who is a patient
- They are the partner of a woman in labor
- They are with a single parent who has another minor who is a patient

“Unique”/“One-Off” Situations: Decisions regarding ONE (1) visitor for “Unique” and/or “One-Off” situations will be made on case-by-case basis at Provider/Care Team discretion and communicated to screeners. Examples of these situations include (but are not limited to):

- Patients having miscarriage
- Visitors needed at time of appointment to receive hands-on training for medical equipment or other care needed (e.g. Ostomy care, Catheter or drain care, Tube feedings, Functional training with PT/OT, Medication administration (e.g. chemotherapy, Lovenox, insulin), Complex wound care (e.g. wound vac))
- Screeners may use discretion/good judgement when making decisions about restroom use

Post-Partum Appointments: Mothers are allowed with Infant (but no other children)

Legal Situations Category: People who must exercise power of attorney or court-appointed guardianship for a patient are allowed.

Governmental Functions Category: Any visitor performing official governmental functions will be allowed (e.g. Regulatory Agencies, etc.)
