

# Epic Tip Sheet

## COVID-19 VACCINE STATUS IN STORYBOARD

The **COVID-19 Vaccine** statuses **have changed** on Storyboard. The statuses below will replace any you may have seen prior to **May 26**.

**WARNING:** There are two rows in storyboard that are closely named and appear next to each other: COVID-19 Vaccine and COVID-19. To view information regarding a patient's **vaccine** be sure to hover over **COVID-19 Vaccine**.

### Unknown

The patient has no Covid-19 vaccine information in our system

A screenshot of the Epic Storyboard interface. On the left, a search bar is visible. Below it, a list of items includes "COVID-19 Vaccine: Unknown" (highlighted with a yellow box), "COVID-19: Travel Screened 5/11/2021", and "Safia Nawroz, MD". On the right, a tooltip for "COVID-19 Vaccines" is displayed, showing a red exclamation mark icon, the text "Overdue - never done (Dose 1)", and a link "View complete topic history".

### Given Dose 1

A screenshot of the Epic Storyboard interface. On the left, a search bar is visible. Below it, a list of items includes "COVID-19 Vaccine: Given dose 1" (highlighted with a blue box), "COVID-19: Unknown", "Isolation: None", "Care Team: No PCP", "Primary Cvg: None", "Allergies: Not on File", "Pharmacies: 0", "New Patient: Yes", "Next Appt: None", and "No vital signs recorded for this". On the right, a tooltip for "COVID-19 Vaccines" is displayed, showing "Next due on 6/9/2021 (Dose 2 - Moderna 2-dose series)" and a link "View complete topic history". Below this, the "Current Series" section shows "Moderna 2-dose series" with two rows: "Dose 1" with a green checkmark and date "05/12/2021 (COVID-19 (Moderna))", and "Dose 2" with a calendar icon, "Recommended: 06/09/2021", and "Earliest valid: 06/05/2021".

### Overdue for Dose 2

A screenshot of the Epic Storyboard interface. On the left, a search bar is visible. Below it, a list of items includes "COVID-19 Vaccine: Overdue for dose 2" (highlighted with a red box), "COVID-19: Unknown", "Isolation: None", "Obstetrics Team: None", "Primary Cvg: None", "Allergies: No Known Allergies", "Pharmacies: 1", "New Patient: Yes", "Wt: 59 kg (130 lb)", "BMI: 51.81 kg/m<sup>2</sup> !", and "BP: 120/80 > 1 day". On the right, a tooltip for "COVID-19 Vaccines" is displayed, showing a red exclamation mark icon, the text "Overdue since 2/1/2021 (Dose 2 - Pfizer 2-dose series)", and a link "View complete topic history". Below this, the "Current Series" section shows "Pfizer 2-dose series" with two rows: "Dose 1" with a green checkmark and date "01/11/2021 (COVID-19 (Pfizer))", and "Dose 2" with a calendar icon, "Recommended: 02/01/2021", and "Earliest valid: 01/28/2021".

## Vaccinated Time Period

This will read **Vaccinated <time> ago** until 14 days post final dose

**\*\*On the day** the patient receives their final dose it will read **Vaccinated Today**

The screenshot shows a patient record for COVID-19.
