PATIENTS ADDING COVID SYMPTOMS TO MYCHART

Go to the **Schedule an Appointment** section of MyChart and select **COVID-19 Curbside Testing**.

At the bottom of the page select your symptoms to see if you qualify for a test.

*A couple of questions*

*Do you have any of these major symptoms of COVID 19? Click all that apply.*

- Fever
- Cough
- Shortness of Breath
- Loss of Taste or Smell
- None

If you qualify for a test, a list of locations appears. Choose a location and then select a time. You can only select an appointment within a 48-hour timeframe.

You will receive details about your scheduled appointment. You may also cancel your appointment from this page.
If you don’t qualify or COVID testing, you will receive a message similar to this:

- **Appointment Cannot be Scheduled**
  - There may not be a need to schedule this kind of visit, or you might need to call to schedule some of the visits.
  - Based on your answers, emergent medical attention may be needed. Please call 911 or go to the Emergency Department. If you feel like your symptoms do not need emergent care, please call our Denver Health NurseLine (303-739-1211) to talk to a Registered Nurse to determine the best level of care for your symptoms.
