

## PATIENTS ADDING COVID SYMPTOMS TO MYCHART

Go to the **Schedule an Appointment** section of MyChart and select **COVID-19 Curbside Testing**.

**Schedule an Appointment**

**Tell us why you're coming in**  
Choose a specific reason for scheduling an appointment.

- Flu Shot Only**  
Schedule a quick visit with a staff member to receive your annual flu shot
- Video Visit**
- COVID-19 Curbside Testing**  
See if you qualify to schedule a Covid-19 Curbside test today
- Tobacco Cessation**  
Request a visit to one of our clinics if you want help quitting smoking

At the bottom of the page select your symptoms to see if you qualify for a test.

**A couple of questions**

\* Do you have any of these major symptoms of COVID 19? Click all that apply  
Select all that apply.

Fever  Cough  Shortness of Breath  Loss of Taste or Smell  None

## MyChart Tip Sheet

If you qualify for a test, a list of locations appears. Choose a location and then select a time. You can only select an appointment within a 48-hour timeframe.

Times: All available times, Filter times

**Follow Up Appointments**  
Please schedule a follow up primary care appointment. Denver Health recommends follow up appointments for ALL of our patients regardless of risk factors. Primary care providers will:

- Monitor and re-evaluate your symptoms with you
- Order testing for other infections if indicated (strep, flu)
- Write work and school notes
- Provide prescriptions or recommend treatments

**Age Recommendations**  
60+ Older  
Older age is a risk factor for more serious disease in COVID patients. We recommend that even if you do not have high risk symptoms that you follow up with your Primary Care Provider for further assessment of symptoms.

**Medical Problems**  
If you have any of the following medical problems please schedule a follow up appointment with your Primary Care Provider:  
Lung Disease  
Diabetes  
High Blood Pressure  
Cancer  
Renal Disease (Dialysis)  
Immunocompromising Disease (HIV, Rheumatologic Disease)

**\*\*Denver Health Employees:**  
Please do NOT use this to schedule your COVID test. Please use the RedCaps Survey located on the Denver Health Pulse to schedule your test. If you do schedule using MyChart rather than RedCaps, there could be a delay in your testing. RedCaps Surveys are screened daily to assign testing appointments to the employees who need them, when they need them.

Tuesday January 5, 2021

11:40 AM	11:45 AM	11:50 AM	11:55 AM	12:00 PM
12:05 PM	12:10 PM	12:15 PM	12:20 PM	12:25 PM

## MyChart Tip Sheet

If you don't qualify for COVID testing, you will receive a message similar to this:

### Schedule an Appointment Start over

**Appointment Cannot be Scheduled**

There may not be a need to schedule this kind of visit, or you might need to call to schedule some of the visits.

Based on your answers, emergent medical attention may be needed. Please call 911 or go to the Emergency Department. If you feel like your symptoms do not need emergent care, please call our Denver Health NurseLine (303-739-1211) to talk to a Registered Nurse to determine the best level of care for your symptoms.

777 Bannock St  
1st Floor, Pavilion A  
Denver, CO 80204

### Schedule an Appointment Start over

**Appointment Cannot be Scheduled**

There may not be a need to schedule this kind of visit, or you might need to call to schedule some of the visits.

**Urgent or Same Day evaluation recommended (Virtual and In-Person Urgent Care and PCP options).**

Based on your answers, you may need more urgent evaluation of your symptoms. Please schedule a visit using the links below to review your symptoms with a provider who can order your covid test, provide work notes, and offer treatment options for you.

- **URGENT CARE OPTIONS:** If you have more urgent needs, make a telephone or video telehealth visit with our Virtual Urgent Care. You can also come into any of our Urgent Cares for evaluation (You do NOT need a scheduled appointment)

**Denver Health Urgent Care**  
777 Bannock St  
Pavilion A  
Denver, CO 80204  
[Click here for directions to Denver Health Urgent Care](#)

- **PCP OPTIONS:** Telephone or Video Telehealth visit or In-Person Appt, either with your medical provider or the virtual primary care department.
- **NURSE ADVICE:** If you are unsure what you should do next and would like to discuss your symptoms and concerns with a nurse, please call the Denver Health NurseLine at 303-739-1211.

After hours Options: If you are having symptoms and it is outside of business hours for Urgent Care or Primary Care, please visit us at the Denver Health Emergency Department. We are open 24/7 every day of the year to take care of you. Based on your answers, you may need more urgent evaluation of your symptoms. Please schedule a visit with your Primary Care Provider.
