*Updated September 2018*

## **Internship Program Admissions**

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Denver Health considers applicants from accredited programs in clinical or counseling psychology. Preference is given to applicants with clinical experience in medical systems, with low income populations, with ethnically diverse populations, with serious mental illness, and with individuals or families with substance use disorders. Our site typically receives over 25 applications per position; overall quality of written communication is considered.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	N	Yes	Amount: 500
Total Direct Contact Assessment Hours	N	Yes	Amount: 50

**Describe any other required minimum criteria used to screen applicants:**

Total of 600 hours and four completed test batteries required at time of application. Must apply to one and only one of the Denver Health internship clinical tracks.
