

Training Requirements effective April 1, 2021

Training Class Time Limit: Five-Year Rule Clarification

- All required CAC training courses must be submitted to DORA within **five (5) years** of the date of training. *For example, a training completed on April 1, 2020 would expire on April 1, 2025. If the required training expires prior to submitting an application to DORA, the applicant shall retake and complete the training again.*
- Courses taken prior to April 1, 2021 may be used for certification for CAT and CAS as long as they fall within the **5-year time limit** specified above.
