June 2025

The little heart that could

After surviving two heart surgeries as an infant, 2-year-old Cavi Butler has her whole life ahead of her. She will be at the American Heart Association's Heart Walk on June 21 with her mom and grandmother. Read their story and sign up to walk with Denver Health's team to support heart health.

FOR LIFE'S JOURNEY

Don't miss the chance to share your perspectives, motivations and needs from health care systems by completing [our community survey](#). Participation is anonymous, but you can choose to be entered into a drawing to receive a \$250 gift card.

The results of this survey will guide future decision-making and provide us with helpful insights as we look to become the most trusted health care provider in Colorado.

All surveys are due by Friday, June 6.
