

DENVER HEALTH JOURNEYS

Information from your community partner in health and wellness.

September 2025

A new pacemaker, a second chance

After decades of heart complications, Bennie Milliner got help from a new type of pacemaker, no bigger than a AAA battery, embedded in his heart.

Sesame Street, Denver Health team up for families

Denver Health partnered with Sesame Street to bring Elmo and his friends to three “cozy spaces” across the health system. These spaces create a welcoming atmosphere for children and families and help make the hard days and hard conversations a little softer during behavioral health visits.
