

Program Faculty

The Program Director is Bailey Hicks, MEd, MLS(ASCP)^{CM} and can be contacted at 303.602.2382 or bailey.hicks@dhha.org. Her office is located in J234A.

The lead faculty for each laboratory discipline are listed below. These faculty are responsible for developing the curriculum and teaching most of the content for each discipline area. Other Denver Health laboratory staff - medical laboratory scientists/medical technologists, certified specialists, pathologists, phlebotomists and processors - will be involved in teaching courses, the student laboratory, and/or clinical experiences.

<u>Discipline</u>	<u>Lead Faculty</u>
Chemistry	Joan Polancic, MEd, MLS(ASCP) ^{CM}
Hematology, Coagulation, Urinalysis	Bailey Hicks, MEd, MLS(ASCP) ^{CM}
Immunology	Emma Robertson, MLS(ASCP) ^{CM}
Immunochemistry	Francina Abel, MLS(ASCP) ^{CM} SBB
Laboratory Management, Operations, Education	Bailey Hicks, MEd, MLS(ASCP) ^{CM}
Microbiology	Marjorie A. Brown, MT (ASCP) Laura Triplett, MS, M(ASCP) ^{CM}
Molecular Diagnostics	Miranda Clark, MLS(ASCP) ^{CM} David Stewart, MLS(ASCP) ^{CM}
Specimen Collection and Processing	Bailey Hicks, MEd, MLS(ASCP) ^{CM}
Research Methods	Michael Wilson, MD

All program faculty are content experts and maintain their expertise as required by the National Accrediting Agency for Clinical Laboratory Science (NAACLS) and The Joint Commission (TJC) standards.

Staff recruitment and employment practices are non-discriminatory and in accordance with the regulations of the government and any accrediting agencies applicable to the program and institution.
